Natura Cosmetics supported the Portuguese and Spanish translation of the Open Green Map and celebrated along with Green Mapmakers worldwide!

A group of four people, three women and one man, are standing in a room. They are all looking at a laptop screen held by one of the women. A large whiteboard is visible in the background. The man is on the left, wearing a suit and glasses. The three women are in the center, dressed in business attire. The woman on the far right is wearing a dark top and light-colored trousers. The room has a tiled floor and a large window in the background.

At the Conservatory in Druid Hill Park, representatives from the Mayor's Office, City Council President's Office, and a State Senator shared the reading of the official Mayoral Proclamation!

Baltimore USA

85 people attended the event, ranging from preschoolers to senior citizens. Twittermap connected them to parties around the world!

New York USA involved 200 people at the launch

Sara Tucker, President of Green Map System's Board of Directors and staff demonstrated the platform and showcased the first 50 Open Green Maps

A large, clear glass sphere is the central focus, reflecting the interior of a museum. The reflection shows a brightly lit space with a wooden floor, a large window, and a person standing in the distance. The sphere sits on a dark blue fabric adorned with white icons, including a leaf, a sun, a wind turbine, a flower, and a bird. A green, textured, leaf-like object is partially visible behind the sphere.
