

TECH FOR VETS

TEAMCHILDREN.ORG

LOW COST REFURBISHED COMPUTERS TO VETERANS AND FIRST RESPONDERS

- TeamChildren collects and refurbishes computers from individuals and businesses, and distributes them to veterans at a low cost.
- Any donated equipment that we can't reuse is put back into circulation through resale or recycled responsibly.
- Proceeds from recycling and reselling fund our mission.
- For veterans interested in a computer career, we offer free training and internships.

ABOUT US

Robert Toporek, the founder of TeamChildren, served in Vietnam with the weapons' squad 3rd platoon, Company B, 2/503 Infantry 173rd Airborne Brigade, from May of 1965 to May of 1967.

During Robert's first tour, half of his squad were either killed or wounded. The most notable was Milton Olive, the first African American to be awarded The Medal of Honor in the Vietnam War.

It took Robert over 25 years to begin talking about his experiences. He is now working on a book Vietnam War Story Transforming survivors guilt.

Robert has a profound respect for our Veterans and First responders, and in addition to helping families, schools and organizations he has expanded his outreach to Veterans and First Responders.
