## THANKS TO YOUR SUPPORT

Dacha families have a reliable shoulder to lean on 24/7.

Caring for these families is our responsibility and our commitment.

**With your generous contributions through GlobalGiving,** we have been able to provide continuous support to children and their families: offering comfortable accommodations, ensuring access to a psychologist and physical therapist, and covering essential services that enhance the comfort and safety of families staying at the Dacha.

**THANK YOU!**

# WHAT FAMILIES SAY ABOUT DACHA

“I'm so grateful for a family house like Dacha. It's beautiful, warm, and always clean. Everything is comfortable and convenient, with lovely rooms and a fully equipped kitchen. The blooming gardens and beautiful design... A huge thank you to everyone involved in creating this home!”

“We are very pleased with our stay at the family house. It brings me joy that, during such a challenging time, my husband and younger son, whom we miss so much, can come visit.”

“The first floor, all the greenery, even birds singing! You wake up to their songs and can enjoy them in the evening too... The location is also very convenient. Thank you!”
