The beneficiaries who participated in the program were 34 in total.

Indicatively:

- ❖ **Mr. M. hosted with his daughter for 3 nights:** He is a refugee from Syria. His wife is dead and he has come with his daughter, 3, in Greece. His daughter's heart problem got serious during their stay in Ellinikon area, so after her hospital discharge, we offered them accommodation in order for her to recover.
- ❖ **Mrs. D. hosted with her son for 2 nights:** Mrs. D. is 59 years old and needed a shelter during the high temperatures in June. She couldn't leave her son, 23, behind as he is mentally ill, so we offered both of them hospitality.
- ❖ **Mr. B. hosted for 1 night:** He was in need of taking care his personal hygiene.
- ❖ **Mr. G. hosted for 1 night:** He was in great need of a safe shelter due to his recent homelessness.

In the meantime, participants received material and psychological support, as well as employment advisory by Emfasis Social Support Corner and continued individual meetings with the Street Work team.
