Grading system explanation:

The six highest subject scores from each student is the basis of the scoring system for the Zambian national examinations, administered at the end of Grades 9 and 12. Therefore, KF tracks each student both by his/her standing in relation to other students (class standing) and also in his/her best six subjects. This provides KF with information about how our students are performing according to national examination standards.

Grading System:

%	Grade	Description
100 - 75	1 - A	Distinction
74-60	2 - B	Merit
59-50	3 - C	Credit
49-40	4 - D	Pass
39-0	5 - F	Fail

The grading system above is the grading system employed by the KF partner school as well as the Zambian National Examination Council, used in scoring all national examinations.
