

The Smile Train

The World's
Leading Cleft
Charity.

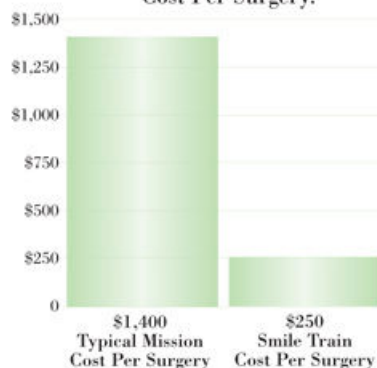

"The Smile Train is
bringing new smiles -
and new hope - to
thousands of children."
— **Candice Bergen**

Financial Information

Cost Per Surgery.

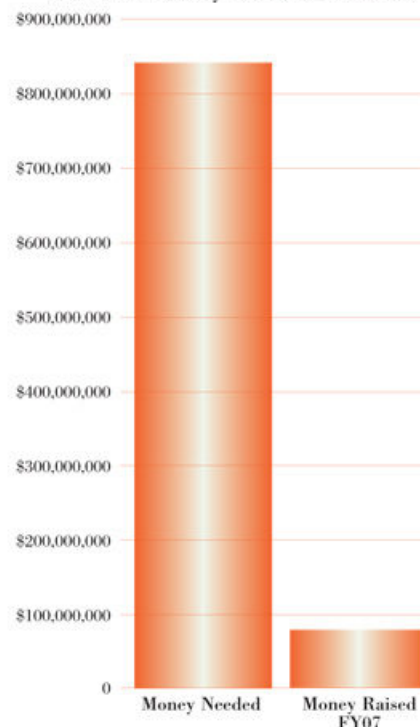

By empowering local doctors to perform cleft surgery instead of sending American doctors, The Smile Train's cost per surgery is 82% less than that of mission groups.

**Administration & Overhead
As A Percentage Of Total Expense.**

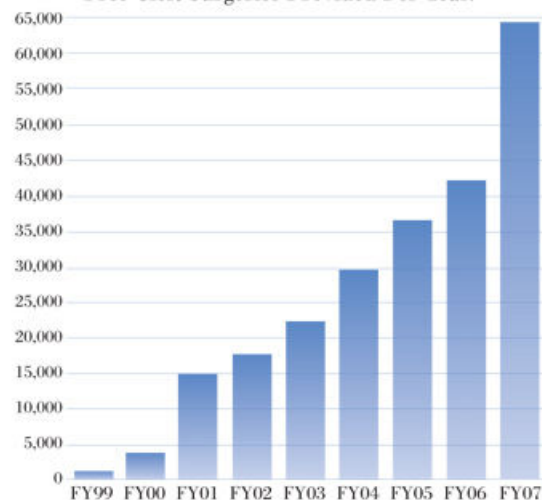

The Smile Train has the highest productivity and lowest overhead of any cleft charity in the world.

How Much Money We Need To Raise.

3,355,484 children need cleft surgery.
At \$250 per surgery,
The Smile Train needs \$838,871,000
to help these children.

Free Cleft Surgeries Provided Per Year.

The Smile Train has the highest productivity and lowest overhead of any cleft charity in the world.

For a copy of our latest annual report, please write to us: The Smile Train, 41 Madison Avenue, 28th Floor, New York, NY 10010.
