INTRODUCTION

The Diani Childrens Village is a registered non governmental organization started in 1994 with an aim of providing children with hope and a home. The home caters for their basic needs e.g Education, Health care and other basic needs.

The children normally stay at the home until they are ready to leave i.e in their late teens and mature enough to fend for themselves.

The Home is located in Diani about 30km south of Mombasa.

The Home currently caters for 23 children and their caretakers.

FURNITURE WORKSHOP

Our furniture workshop build with an aim of teaching the children basic skills to improve their employment opportunities in the future.

Please come and visit our team at the workshop to discuss the different options.

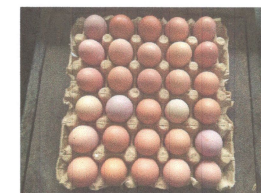

The entire profits from the workshop goes towards the general running of the project.

CHICKEN PROJECTS

The home runs two chicken projects
