Dear Sir/Madam

Letter of Application

The administrative Heads of the above named Schools, Management and Pupils of the same school. We wish to extend our heartfelt thanks and appreciation to you for choosing our school to be one of the beneficiaries of your organisation.

Our beloved friends, this school was born in 1986 by twelve Christian men of the United Methodist Church East end of Freetown. These twelve men, called themselves as the Inner Circle. Among them only two are alive today. The rest has gone on the other side of the land.

The same year 1986, four (4) classes came into function (Classes 1 to 4 with 4 teachers among those 4 teachers, only one is alive who is now the Nursery teacher.
