Name of the Project	: Global Giving Educational Project
Reporting Period	: 1st January 2017 to 28th February 2017
Implementing Agency	: Tiljala SHED
Project Objectives	: To improve the life through quality education.

Basic Requirements & Events Conducted:

- i) School Fees / Session fees
- ii) Private Tuition Fees
- iii) Nutrition for the students
- iv) Books
- v) School Bag and umbrella
- vi) School Uniform
- vii) School Shoes
- viii) Travelling
- ix) School stationary
- x) Awareness meeting
- xi) Medicine
- xii) Excursion
- xiii) Sports
- xiv) Festival clothes

1). School Fees: The new session has been started we have started giving the school fees / including the session to the school authorities. In some cases we have to paid directly to the girls or to their guardian.

2) .Private Tuition Fees: All the selected students are now getting tuition from the private tutors. We are now involving some sponsor girls to give private tuition even we gets regular information of the sponsor girls through monitoring. Guardians also come to the project office to collect the private tuition fees .In some some cases we also pay directly to the teachers.

3). Nutrition: Amount paid to the sponsored girls for nutrition. This amount is paid by the project staff directly to the Guardians or to the students. This amount is helping to stuff them self.

4). Books: The New session has started so the we are giving the text books. We give the payment on the receipt of the proper bills all books are stamped with the official seal of the organisation. In some cases we purchased the books .

5).School Bag and umbrella: The school bags and umbrella provides to the all students as per their needs.

6).School uniform: The uniform is very important for the student so we give everyone we give the uniform as per their requirement. Some elder girls they purchased their uniform directly from the shop and they submit the bills to the project office for the payment.

7) School Shoes: We also provide the school shoes as per their requirement. We prefer that students should go and they purchased the shoes. So they can find it according to their size.

8) Travelling: Travelling : Allowance is paid to the sponsored girls this amount paid directly to the sponsor girls .

9) Stationery: Its new session so the sponsor girls come to the project office to collect the school stationaries as per their need most of the time they purchased directly by themselves .The Articles are such as pen pencils, rubber sharpener, pen, big and small excise copies, geometry box, waterbottle, tiffinbox etc . We maintain all the records and the cost that the students who has spend for purchased the stationaries.

10) Awareness Meeting: On 5th Feb 2017 we held a awareness meeting at Shafkat Alam Center (Health and Hygiene)

Oral Hygiene: project staff instructed the girls on how to maintain their teeth. They were told to brush their teeth regularly minimum twice daily (morning & night) with a good toothpaste. They were advised to avoid too much sweet in their diet. They were told to get their teeth checked by a dentist at least once a year. If they feel they have caries they should get it filled immediately by a qualified dentist.

11) Medicine: We will going to start health check up for every month and we will arrange health camps. But now we are only giving some medicine expenses to the sponsor girls as per their need .

12) Excursion: Nil

13) sports: Our Annual sports was held on 11.2.2017 on the Shibtala Math .In these event childrens are from the different project. The competition among the girls was very keen and every one gave their best to win the prizes.The girls who had practiced hard won utility prizes. All the girls thoroughly enjoyed themselves.

Suhana parveen: Suhana Parveen is presently studying in upper kg in Devdoot School. She is good in studies even she has scored very good marks in her final examination. Suhana's mother is very thankful to Global giving for the support. Her mother is a maid servant she works whole day for her daughter she is a only child so her mother has a big dream to make her daughter success in he future We wish her success in life. Presently they stay with their grandmother house . Now days they have food problem at home due to lack of money Thanks to Global giving after getting the sponsorship now they are happy with it.

Suhana with her mother

Thanks to Global giving educational project for their support in this cause.
