- x) Medicine

SCHOOL FEES AND SESSION FEES : All the students are getting their fees in regular basis we maintained the register at our project office. During the reporting period of October to December students are getting prepare for their annual examination. Students are getting prepared for their annual exam

Private tuition fees: Private tuition is very important for them. Before getting support from Global giving they cannot take tuition due their economic crises. Now they can go for tuition its help them It makes them more active and sharper in their studies. We always paid the amount to the guardian or to the sponsor girls. They always keep in touch with us

Nutrition: we give them some amount of money for nutritional support so they can eat food for their daily life They come to our project to collect the amount for their nutrition. Now all the student can eat food during their school. If we give them health drinks it will better for them the student who are sick

Books: School books are very important for the students. In the begging they cannot purchased book for their school now they can purchase books for their school they very grateful to Global Giving. all the girls are happy. We give books to every student when they required.

School Bag and Umbrella: we **cover** all the students in a year as per their requirement. From last two-year Global Giving is fully supporting those students who were not getting anything in their life. They are thankful to Global giving

Uniform and shoes : School uniform and shoes are very important for the students, they also need physical education dress which held once in a week at their school, so all the girls purchased uniforms themselves, they submit their bill to our office We keep a record at our register for our office documents even sometimes we also go for purchasing uniform. Before getting support from Global giving, they cannot purchase dress for their school they wear old dress from many years.

Travelling: Travelling allowance are important to the all students the amount we pay to the student they can reach to their school on time they travel by bus or some student go by auto. They are happy with Global giving.

Stationaries: Every month they need stationery to fulfil their needs. They thank fully to global giving now they also purchased for them what they need for their school

Awareness meeting

Sl No.	Date	Topic
1	10.10.18	Good Manners
2	15.11.18	Tuberculosis.
3	20.12.18	Emotional Abuse:

Medicine: We always give the medicine to the girls when required and sometimes they also purchased the medicine and submit the bill to our project office. Our project staff keep it as record.

Activity

6th October: Pradhanika a social activist come to the Gyan Azhar Library to discuss about Fire safety for our girls. All the girl is very fond to know about fire safety awareness.

13th October: We went to the I volunteer programme with our volunteer (Tanveer Khan) the girls was told about self-awareness and body safety that how to the protect themselves and how to save them from those people who looks at the girls in a dirty way.

10th November: People from Abhilasha foundation conduct a session on how to use sanitary napkins. During our period we should keep our body clean and to change our sanitary napkins 4 times a day. They also distribute the sanitary Napkins to all the girls.

14th November: We went to Loreto convent school to celebrate children's day party. MR Kamran a great singer sings song for those children to see happiness on their faces, Yash a Tollywood hero also join the programme all the girls were very excited and enjoyed a lot. And they also gave food to all children.

17th November: We went to Heritage School for (Round Table India) for Drawing competition the girls had done this competition. And Mrs universe(Afsara Guha Thakurta) meet with our girls she also come and take a photos with our girls. Our girls also play games they were enjoyed a lots.They also gave food to the all girls .

22nd November We took same childrens and went to Biswa Bangal Mall

25th November: We had done drawing competition with children's in our library. Where the students had participated in this drawing competition. This competition was about the Nature which was done very well by the all students.

30th November: Some of the volunteer from Umeed foundation came to our library and held a session on Islamic topic. After that they conduct question and answer round and group discussion about what should need to be get protected. End of the day the winner team won prize.

5th December: Organized by I volunteers (comes lets talk) conduct a session on child abuse, the whole session was conducted on projector so by watching the photo children can understand easily. Child not only get abused by outside or unknown people but sometimes they get abused by their own relatives. In this session we told them how to get aware of good touch and bad touch and understand the intention of people, if anyone misbehave or try to touch your private parts then then talk with yours parents and inform them.

5th December: All the girls including sponsor and non-sponsor came to our library and made sandwich by themselves in the library, some of them also learn how to make sandwich. They enjoy the party.

19th December: Mr Tousif Rahman invited some of our girls in his birthday party in a good restaurant for lunch where they have ordered whatever food they like to eat, after having a good meal big smile came to their faces.

Success case :

Kahkasha Praveen project number 06 this year she promoted to class 1 she scores good number her percentage is 64% she did well. Before getting support from Global Giving, she was very weak in studies now Anjum Ara is giving her private tuition regularly now they are getting every benefit from global giving. Her family said they highly obelized to Global Giving. Her father works as a waiter in a restaurant where he earn very less amount of money RS 5000 per month in this amount he have to manage his family with this small amount .Kahkasha has a younger brother now he is 3 years old and her mother Farzana she is a house wife she do all the house hold works at her home and also sit with her children when they comes from school ,they try to give proper education to their child so we hope that they will success in their life .They said that they are getting 1500 rs per month.
