

May we remind each an every little child that no matter where they are from, no matter the circumstances, their dreams are valid.

Mogra Star Academy

Mogra Star Academy is a free community school located in Mathare Slums Nairobi. It offers free primary and secondary school education to the underprivileged children. It was founded in 1998 by Mrs. Hannah Njoroge, and currently has an enrolment of well over 1050 students. The school relies entirely on donations from well-wishers to fund its programs.

Facts about Mogra School

Mogra has kindergarten, Primary and Secondary School sections.

We excel both in Academics and extra curricula activities up to national levels

For many children, the school meals is the only meal for the day hence If they are not given food in school, they run away from school and some turn to scavenging in the slum, engage in petty crime or child labor.

Many of the children must be provided with everything to remain in school

Funding Facts

Airtel is supporting the school feeding program and teachers' salaries through their CSR which is committed for two years.

About half of the school annual budget is unfunded.
