ABOUT US

Building 'Self-sufficient and Self-reliant communities' is the vision of Coodu Trust. Coodu Trust has pioneered professional watershed management programs in Tamil Nadu since its inception in 2000 and has emerged as one of the leading organisation in rural development implementing a range of projects including Women Development, Self Help Groups (SHGs), Micro-Credits, Agriculture and Organic farming, Health, Skill Development, Research and Documentation. Over the years the organisation has gained considerable experience and expertise in executing projects of varied themes and sizes in collaboration with State and Central Governments. In addition to executing projects, the organisation is also engaged in evaluation, training, research and documentation assignments for different Government programs.

OUR REACH

- 30 districts in Tamil Nadu
- 86 Blocks
- 534 Panchayats
- 38,16,000 beneficiaries

OUR APPROACH

The organization has evolved itself as an integrated, end-to-end service provider in social development sector by partnering with corporate, funding agencies and Government to achieve the larger social objectives through a continuous engagement process.

VISION

"Enrich environment by sustainable practices; Enable communities to become self-sufficient"

TEAM COODU

End-to-End project management through professionally qualified team equipped with modern project cycle management tools for effective handling of grass root level programmes.
