Gori, Georgia 2017

Project Title: Hot Meals for Destitute Elders Women

Project Summary

This project provides monthly groceries to 15 elderly poor women for a 6 month. The monthly groceries we provide are Rice, Cooking Oil, Biscuits, Soaps, Species, Onions, Vegetables, etc. With this monthly groceries destitute elderly women are having food regularly by cooking themselves with out depending on some one. They are living with dignity and self confidence. Their health levels have been increased.

Challenge

The biggest problem is they do not have family members and not other supporters people the elderly women, as they are not working & not earning income. If a poor women and destitute old women is provided at least one wholesome meal in a day, she has a chance to face the challenges of her hard life. WD had conducted surveys around Shida Kartli, Georgia and identified many such elders women who need help
