To Whomsoever It may Concern

This is to certify that Bhadrachalam Agency for Rural Development Rehabilitation and Educational Society for Handicapped, Bhadrachalam, Khammam, Telangana (BRESH) is an organisation dedicated to the cause of Children with Disabilities.

I have recently visited its school and found that BRESH is providing excellent services for the disabled children in terms of education and vocational training. BRESH requires financial assistance for further improvement of the conditions of these children.

I strongly recommend that BRESH may be given grants after due inspection of its site and functioning. This will strengthen their diligent efforts toward achieving rehabilitation, integration and empowerment of these most disadvantaged children.
