

# ENROOT

A place where students feel welcome.  
A program that sparks their ambitions.

## OUR VISION & MISSION

All immigrant youth have the opportunity to succeed. Enroot's comprehensive multi-year program empowers students to achieve lifelong success and fulfill their own American Dream.

// ENROOT IS THE EXACT TYPE OF PARTNERSHIP THAT DISTRICTS STRIVE TO HAVE AND WE WERE FORTUNATE ENOUGH TO GET IT. THE STUDENTS WHO HAVE BEEN PART OF ENROOT ARE MORE COLLEGE AND CAREER READY, THEY'VE HAD THE PRACTICAL EXPERIENCE, THEY'VE WORKED IN THE INTERNSHIP, THEY KNOW WHAT THE PROTOCOLS ARE FOR GOING INTO DIFFERENT BUSINESSES. //

- Somerville Superintendent Mary Skipper

## OUR MODEL

We extend a student's learning day by 50%. Why? We understand learning and growth require this level of investment from both students and Enroot.

## OUR STUDENTS

Enroot supports recently-arrived high school and college students who hail from **over 30 countries**. They are learning English, helping support their families, and working toward a bright future. Though

many have faced significant adversity, they are **resilient** and **determined** to succeed. Our programs provide the tools, skills and confidence they need.

**Want to get involved?** Learn more about volunteer opportunities at [enrooteducation.org/get-involved](https://enrooteducation.org/get-involved) or contact [volunteer@enrooteducation.org](mailto:volunteer@enrooteducation.org).

## FAST FACTS

- **95-100%** high school completion
- **Over 90%** enroll in post-secondary education
- **50-60%** college completion, 2-3 times the standard rate

## ENROOT'S IMPACT

Setting firm roots is the first step for recently arrived immigrants and is essential in realizing their dreams. Enroot builds this strong foundation by providing the support, guidance and resources to empower students. **We're increasing self confidence and more than doubling the college graduation rate.**

// WHEN I FIRST JOINED THE PROGRAM...I HAD ALMOST GIVEN UP ON MY EDUCATION. [ENROOT] OPENED UP A WAY FOR ME AND I WAS ABLE TO SEE THAT **ANYTHING WAS POSSIBLE** IF I KEPT DOING MY BEST AND NOT GIVING UP. //

## IMAGINING TOMORROW

Bridging the gap between education and a life full of possibilities.

### Projected Student Growth

Now more than ever, our students need support. Enroot is working hard to foster belonging and equity for immigrant students by expanding our work in the Greater Boston area.

**Join our mission** to help communities better appreciate the complexity of the immigrant experience and support their newest members.
