OPERATIONAL DOCUMENTS

As an organized institution that not only delivers services but also manage staff personnel, oversee administration and maintain cash funds. As recipients of grants from various channels and project holders of welfare activities, the organization upholds principles of accountability and transparency. One of the strong indicators of these principles is keeping policy documents in place, based on which the day-to-day operations of the organization are to be carried out. Thus, donors are assured that their funds are in safe hands prior to providing funding support to the organization.

In this regard, Bright Capacity Initiatives for Community Enhancement (BCiCe Nigeria) have in place set of organizational policies for ensuring organizational internal control systems. operational documents and policies includes; board manual, communication policy, computer and equipment policy, constitution, equal employment opportunities and affirmative policy, financial policy, fixed assets policy, human resource management policy, leadership succession policy, and procurement policy.

MANAGEMENT STRUCTURE

The organization has well-established and structured management.

- The **Board of Trustees** comprises of 6 persons and are responsible for providing necessary advice and guidance to the Project Management Team, including the **Board Chair/Chief Executive Officer, Board Members, and Board Secretary.**
- The **Programme Management Team (PMT)** is headed by the **Executive Director, Programme Manager, Head of Units (Finance & Admin, Monitoring & Evaluation, Audit & Internal Control, and Media & Communications)** and **State Programme Officers.**
- The States Offices are managed by the State Programme Management Unit (SPMU), including the **State Programme Officer, Programme Assistants, Unit Officers, Unit Assistants,** and other **Support Staff** in all our operating States.
- Local Government Project Sites are managed by **Community Programmes Officers** and Centre/Facility Managers.
- The organization presently has about 42 full-time staff and about 500 community volunteers.
