

WHO IS ALL OUT AFRICA?

All Out Africa is a social enterprise comprising of a group of companies and a non-profit based in South Africa, Swaziland, Mozambique and Botswana. We cater to people looking for a wide variety of African experiences from volunteering, tours, research, internships and University field studies, whilst at the same time building sustainable long-term projects. Our goal is to partner with you so we can continue to share our passion for Southern Africa's people, places and wildlife with the world and offer *adventures that change lives*.

VOLUNTEER

Find out why 100% of our volunteers rave about our projects! Volunteers work along side members of the community to build shelters, teach classes, coach sports or conduct important conservation research; this experience gives back as much as our volunteers gain from it. Our in-house Tour and Foundation division means we can offer packages that combine adventure tours with volunteer or intern experiences, as well as contribute a donation fee straight back to our projects. This gives us a totally unique opportunity for clients to both give back and explore Southern Africa like no other volunteer program.

LEARN

All Out Africa is taking learning to new levels! By joining as an intern, researcher or as a group class, our programs encourage school or university students to step out of the classroom, and gain some exciting hands on experience, whilst living in Southern Africa. Our Savannah Research Centre and Marine Research Center are perfect facilities for university students and groups looking to gain field training in African Ecosystems. Our projects have received international recognition for their good work, including over 60 scientific publications!

TOUR

Take a tour with us! Whether you want to zip line through the mountains of northern of Swaziland or spot elephant from a open-air safari truck in the Kruger National Park, All Out Africa Tours offers a wide selection of tours sure to make your African holiday an adventure of a lifetime.

DONATE

All Out Africa is serious about giving back to our environment and community. That is why we set up a Foundation to help us expand and sustain our project development, from the 6 neighborhood care points we run for vulnerable children to the 2 wildlife and marine research centres, so our participants are really helping to change lives.

OUR PROGRAMS

FOUNDATION SPONSORSHIP PROGRAMS

Child Sponsorship | Early Childhood Education & Development
Sports Development | Build a Future
Wildlife Conservation

ALL OUT AFRICA VOLUNTEERING

Our volunteer programs donate a portion of their proceeds towards All Out Africa Foundation to help sustain our social projects, including the running of the NCP's and Research Divisions.

Savannah Conservation (SD)

VOLUNTEER & TOUR COMBINATION PACKAGES

Kruger & Building | Kruger to Coast
Marine Conservation & Kruger | Kruger to Cape

All Out Africa Foundation is a unit of All Out Africa, based in Ezulwini, Swaziland. The Foundation is a registered non-profit (No RT/7151) and was established in 2006. The Foundation strives to improve the well-being of vulnerable children and communities and contribute to wildlife conservation through capacity development and education. Working alongside our volunteer projects and tours, we work hand in hand with local communities to address the needs of orphaned and vulnerable children (OVC), as well as work for the conservation of threatened species through conservation research.

Adventures that change lives.

**FIVE
REASONS
TO BECOME A
SPONSOR**

Info@alloutafrica.org | www.alloutafrica.org

5 REASONS TO BECOME AN ALL OUT AFRICA FOUNDATION SPONSOR

1. COMMUNITY IN NEED - The Kingdom of Swaziland has the highest HIV/AIDS prevalence in the world, with 26.5% of adults living with HIV. With over half of the population living below the poverty line. This epidemic severely increases the overall vulnerability of children, pushing the number of Orphans & Vulnerable Children (OVC) to over 200,000 within the country. All Out Africa's Neighborhood Care Point's (NCP's) currently directly assist more than 300 children in Swaziland, and with your help we can reach even more!

2. COMMUNITY BASED ASSISTANCE - All Out Africa works directly with the communities we support. By talking with the people, teachers and community leaders we can directly and personally assist the children and families that need our help the most. We believe in making sustainable change and making sure that every donation is used to its fullest capacity that is why we support our communities by providing education, training, jobs, and food, this ensures that every donation is used for a bigger picture strategy creating sustainability and assisting people to help themselves. This also means that there is no big company overhead, and ALL of your donations can go directly to assistance.

3. LASTING IMPACT- A nutritious meal for one child costs \$2 USD. For many vulnerable children, this may be the only meal of the day. Your generous donations will also go towards important training for our local staff to ensure that the education we offer is the best,

while empowering local community members with a higher education at the same time. Your support will have a lasting impact on each child, their families and provide empowerment to members of every community we work with for generations to come.

4. HOW YOU CAN HELP - There are so many ways to help! By becoming a monthly sponsor we can ensure that every NCP is operating to it's full capacity, with every child receiving education and food. If you would like to make a one time donation we can provide children with uniforms or scholarships to secondary schools. No sponsorship idea or donation is too small! Every sponsor is a part of the greater All Out Africa family, and together we can make a BIG difference!

We are always looking for partners with big ideas, if you have an a suggestion of something specific you would like to help us with, reach out and share!

5. BE A PART OF THE FOUNDATION FAMILY - Without the support of so many international and local donors, our foundation would not be able to provide hot meals and education for our children, or provide training and income for community members who work with us. This is why we want to keep you up to date every step of the way with exciting developments about how your donation is enabling us to achieve our long term goals, and ultimately change lives. We would also love for you to come and see for yourself!
