PD Walk and Drug Support Report

1. Objectives of the Walk

- The main objectives of this April 1/2017 Parkinson Walk was to create awareness on Parkinson Disease to the general public, media people, government & invited guests.
- The next objective was to generate fund if possible from the walk process to selected 50 PD patients for drug purchase.

2. Preparatory Activities Implementation Process

- The organization prepared sponsorship letter to various private businesses and NGOs to sponsor the PD walk and distributed to more than 37 of them.
- Invitation letters were written to various print media, radio stations & TV broadcast
- Government organizations such as ministry of health, bureau of health, Ministry of labor, drug fund supply & administration agency were invited.
- Police marching band was the color of the event and therefore official invitation letter was written to the band for advance preparations.
- Before the walk PPSO-E prepared press release on March 28/2017 for media attention (Journalists from radio & TV stations).

3. PD Walk Participant Information

Initially PPSO-E expected between 300-500 walk participants. However, 242 participants appeared on the walk from various sectors as given below. However in the walk there were 242 participants out of which 51 are PD patients, 30 rotary club members, 8 journalists, 1 neurologist, 3 health extension workers, 75 police marching band members, & the rest invited guests.

4. Fund Disbursement to Patients from 2017 PD Walk

We are grateful to global Giving staff for giving us opportunity to raise fund for poor PD patients. So far a total of 41 PD patients received money to buy Parkinson drugs. Out of this 15 are female & 26 are male. A total of ETB **39,900** was disbursed to PD patients already (ETB **24,600** was delivered on 2/05/2017 for drug purchase & PPSO-E also gave ETB **15,300** birr to PD patients on the Walk day to cover their transportation cost.

5. Success of the walk

- PD patients got drug purchase fund & transportation fund. They shared experience with fellow patients.
- It was transmitted by 2 TV stationes (Addis TV and EBS TV) who have got large coverage
- It also got a wide coverage by----FM radio stations (Zami, Sheger, Bisrat, 6 Maezen)
- A number of printed medias----wrote on PD (Reporter, Sendek, Capital, Medical Magazine, Gize Magazine, Yabesha Weg Magazine, Addis Zemen, & Ethiopian Herald)
- Some of the youth (members of rotary club) posted their day on social Medias.
