Financial Utilization Report to Global Giving

Our organization, PPSO-E has been working in collaboration with Global Giving (GG), USA in the fight against Parkinson's disease since 2016. Global Giving Foundation, INC. has transferred the second batch amounting to ETB 7,478.58 (313.25USD) on 28th August 2017. Out of this 200USD was for walking cane purchase & delivery to Poor PD patients and 131.25USD for financial support.

Utilizing additional finance and the amount mentioned above PPSO-E made disbursement of Fund for 40 PD patients.

The amount delivered is for the third time and it is crucial the improvement of the quality of life for Poor PD patients.

One PD patient with the picture on the left said **"God networked me with PPSO-E in a lucky day. I thank God for this. I would have been dead or paralyzed if alive long ago if I couldn't take PD drugs with the financial support. I bless all involved in process of generating this support for the poor patients who solely depend on external support due to low economic position**."

We greatly appreciate GG Foundation & the donor for this support. And additional Disbursement information is given below.
