PURE TRUST - PURE

Strives to Address The Insufficiencies in Disadvantaged Rural and Urban Schools, in Order to Ensure Quality Learning Experiences Which Will Lead To Greater Opportunities For India's Youth.

PURE

Exists To Facilitate Sustainable Empowerment Through Quality Education With Complete Transparency and Accountability To The Sponsors.

PURE

Believes in Leveraging Educational Structure That is Already in Place and Supplementing it To Implement Viable and Lasting Solutions.

- Nurture the educational aspirations of financially challenged students in rural and urban areas
- Establish merit based financial assistance for higher education
- Adopt schools in under-served, unreachable locations and help students achieve their maximum potential
- Facilitate safe, clean and comfortable learning environment
- Leverage existing government programs and fill the gap by providing financial assistance to students for professional education
- Empower students by bringing technology closer to them via low-cost Internet
- Operate with complete transparency and accountability to Donors and Sponsors
- Support basic health, vision and dental needs through preventive care camps
