The construction work for a block of classrooms has started in

In CDM Primary School Laila, Mubi Local Government, we purchased thirty (30) classroom desks, three (3) library desks and two (2) bookshelves for the reading corner. Also, a classroom block has been renovated.

CDM Primary School Lainde, Mubi Local Government. Presently, the foundation has been laid. However, the construction work had to stop because of the rains. Although, in preparation to continue the work after the rains stop, several cement blocks have been 0 1.1 0 molded. The parents of the children have supported the project by providing labour, sand and water to the project as stakeholders of the project.

We could not commence the construction of the classroom block for the forty-three (43) pupils of CDM Nursery School Gilmari where the children are currently learning under a makeshift structure because of insufficient funds.

We have provided fifty (50) units of classroom desks to Ethnosreach Primary School Ma'zumuari, Niger State. Also, we have renovated all the classrooms in the school. We are delighted to inform you that our implementing partner Ethnosreach International Ministry used their initiative to paint the school classrooms.
