

The Love of Christ Children's Home

Who is TLC?

The Love of Christ Ministries was established in 1993 by the Jarvis family. They have rescued more than 800 babies who have been abandoned or orphaned, as our nation continues to be plagued by HIV-AIDS, unemployment and high crime levels. the primary ethos at TLC is that **'every child has the right to a loving and responsible family'** and they fight for the rights of every baby, seeking the best for each individual.

What does TLC do?

TLC fosters, places and adopts vulnerable children

What is TLC's Unique Approach?

1. TLC runs as a family and not an institution.
2. Each child has an individualised development plan and is cared for holistically and uniquely.
3. TLC educates the public about child abandonment and the benefits of local adoption.
4. TLC develops care workers' childcare skills.

Adopt-a-cot

For a R100 monthly donation, you contribute towards the nurturing of the child occupying a certain cot. There are 20 people assigned to each cot to cover the costs of caring for that baby. When you sign up for the newsletter, you will receive updates about your cot so that you can see how that baby is progressing.

Due to severe financial strain, these cots are empty for the first time in years. By signing up, you will join the band of superheroes who help TLC in their incredible work.

Our Mission: Tuition programme

The Love of Christ Children's Home is very excited to introduce you to Mission: Tuition, a programme designed to fund and support the holistic education of TLC's children. It is really easy to help us give these children a quality education.

There are 3 ways to get involved:

Join a Mission
contribute R100 per month towards a child's fees

Stock Supplies
donate stationery, uniforms or sports kit at central points

Training
volunteer your time, skills or services (e.g. tutoring)

What is Myschool?

MySchool is one of South Africa's biggest fundraising programmes, raising over R3 million every month for over 9000 schools, charities and animal welfare or environmental organisations, including TLC.

MySchool allows you to make a difference just by shopping. Every time you swipe your card at any of MySchool's 12 partners they'll make a donation on your behalf to TLC, provided you choose TLC as one of your beneficiaries, at absolutely no cost to you!

Volunteers

Our volunteers dedicate themselves unflinchingly with much love and affection for our little babies, and undoubtedly make a huge impact on the quality we are able to provide to our little ones. Our volunteers range from teenagers to the active elderly, both local South Africans and international people. To date we have enjoyed the excellent voluntary services of people from all over the world on a permanent and semi-permanent basis.

The volunteer programme has two components.

Part Time: The one component is our part time programme which provides local people an opportunity to assist us for a few hours a week.

Full Time: The second is our full time programme which is open to both local and international volunteers who wish to become part of our lives for a longer period of time.

OUR BANKING DETAILS:

Nedbank

Account Number: 1385039027

Branch: The Glen

Branch Code: 138-537

International Sort Code: (ABA code): NEDS ZAJJ
