## SUMMER IN THE YOUTH CENTER

The Summer Garden definitively proved to be an excellent idea. Since it was opened on 21 June 2019, Summer Garden has been crowded. Public talks, movie screenings, concerts, pub quiz and board games were finally available to young people during summer months. It is estimated that more than 1000 young people attended events, participated in the program or use other services available over the course of summer. The summer season was officially ended on September 30.

## It is a Pub Quiz! It is a Charity Pub Quiz!

Couple of young people from Zajecar reached out to Youth Center representatives with an idea to organize a Pub Quiz. Quiz initially attracted many people, while in summer garden it became one of the most attractive events for young people in Zajecar! Its organizers made one step further – they started donating funds collected from participation fees for charity purposes in the community! Thus, they are both promoting knowledge and contributing to a better community!

## New Youth Board

Zajecar Initiative has announced a call for new volunteers – members of the Youth Center's Board. Twelve young people applied in total, getting the opportunity to actively participate in the design of Center's programs and implementation of events as well as to initiate new activities on their own. Zajecar Initiative seeks also to engage these young people in its other activities.

## Youth Center Supports Young Musicians!

The drummer is only 9-year old, and the oldest band member is 16. Their name is Chemtrails and they made their first solo gig in Youth Center's summer garden on 20 September. Unlike most of their peers, they are not fond of discotheques and folk music. They took guitars and drums instead and started covering famous rock hits! Their 90-minute performance has made audience fascinated.
