TRANSFORMING
SOUTH AFRICA
ONE GIRL
AT A TIME

WE ARE A MOVEMENT

At Molo Mhlaba Schools, we believe that women can change the world. Our unique iSTEAM (innovation, science, technology, engineering, arts/design, and math) curriculum empowers our learners to explore new academic opportunities and take control of their education.

As part of a network of Pan-African low fee independent private schools for girls, we have the connections and resources to provide your child with the very best education. We exist to give every girl, regardless of her background, the opportunity to choose her own path.

OUR MISSION

We believe that girls living in poor communities deserve SAFE, AFFORDABLE, QUALITY EDUCATION in their communities.

OUR VISION

We want to see a future in which African women fearlessly pursue their ambitions and confidently set out to better their communities and, in turn, the world. We value each of our girls and aim to provide them with the best foundation to one day enter into institutions of higher education.

Furthermore, we communicate the importance of consistent attendance and participation to learners and their parents.

OUR VALUES

At Molo Mhlaba, we strive to embody our five core values in everything that we set out to achieve:

FREEDOM | INKULULEKO

BOTHO | UBUNTU

BLACK LOVE | UKUTHANDA ABANTSUNDU

INDIVIDUALITY | UBUWENA

INTEGRITY | ISIDIMA

HONESTY | UKUNYANISEKA

OUR COMMUNITY

Learners

Each girl is celebrated for her unique sense of individuality, ambition, and intelligence. Success is measured on a personalized scale that caters to each girl's needs and goals.

Small Groups

To promote independence and foster self-led problem-solving, two hours are designated each day to learners interacting in small groups.

Large Groups

Learners are encouraged throughout each day to develop their leaderships skills by gathering in large-group settings.

Parents

We recognize that the investment of time and energy from parents enhances a child's education, Molo Mhlaba requires each family to volunteer at the school for 30 hours per academic year.

OUR MODEL

BILINGUAL LEARNING

Our classes are taught in Xhosa and English to prepare our girls for the global economy. Additionally, students will be offered classes in Arabic, Swahili, and French.

LOCATION

By situating schools in the same communities as our learners, we reduce the travel time and costs required in order to get to and from school.

SMALL CLASSROOMS

Each learner is able to have one-on-one time with our teaching staff. Our teachers are highly qualified, enrolled in Continued Development Programs, and they are recruited from the same community where Molo Mhlaba is located.

NUTRITIOUS MEALS

Each day, learners are served two hot meals (breakfast and lunch) and two snacks to ensure healthy minds and bodies.

9 1/2 HOUR DAY

Our school day begins at 7:30 A.M. and ends at 4:00 P.M. so that working parents can drop off their children on the way to work and collect them on their return. We offer safe, engaging, and experiential after school care programs, if needed.

FAQS

Curriculum

Molo Mhlaba Schools are aligned to the South Africa National Curriculum as outlined in CAPS. In addition, we aim to enhance student learning through the inclusion of iSTEAM project based learning and unique activities that together provide a holistic education.

Extramurals

We offer a variety of extracurricular activities that include: summer and winter sports,LEGO League, Girlpreneur Clubs, Environmental Clubs and much more each term.

Uniform

Our approved uniform can be purchased at the school and is mandatory for each learner. Sport uniform is also available for purchase through the school.

Fees

Student fees cover a hot breakfast and lunch served daily, stationary supplies, and any other necessary materials.

School day

Learners arrive each morning at 7h30 and depart at 16h00 each afternoon. Our 9.5 hour school day allows working parents time to provide for their families while ensuring the safety and engagement of their little ones.

School Terms

Molo Mhlaba Schools follows the South African Government 4 term system. Please visit the website to view the full instructional calendar. Holiday programs are offered in March/April and October school holidays at a nominal fee to parents.

BECOME A SPONSOR

1.

Many of our bright, young girls come from homes that are unable to fully fund their education. Rather than turn them away, we aspire to provide all learners with the resources they need to succeed. To achieve this goal, we need your help! Any donation brings us one step closer to our goal of empowering the girls of South Africa.

2.

Make a scholarship donation (bank details below) with "One Girl" as the reference. If you'd like us to keep you updated about our girls, send an email to molo@molomhlaba.org
