It's life" But it's not life" It's your life" because you have the
power to avoid" your surrounding, friends, and etc" But how will you
know" what you can change" if you don't have wisdom" "BOOM"
to know the difference...

Hopefully I just opened up some eyes" and I wanna say thank you for
being here for me Faithfully... " Don't laugh at me when I say
this but" Even tho I been single for years now" I feel like I'm
