

ORGANISATION OVERVIEW

The Volunteer Center of Trinidad & Tobago (VCTT) is a non-governmental organisation launched in June 2012 with a mission to connect people, fuel hope and collaborate for change! VCTT recognises that there are many persons who want to step up and make a change in their communities and are willing to give of their time and talent through volunteering, however many persons are unaware of all the avenues that are open to them to effect this change.

VCTT has decided to fill this gap. It is our mission to bring volunteer opportunities and organizations to the forefront of this nation, and we have embarked on this mission through the creation of a comprehensive volunteer matching platform: www.vctt.org.

Through this platform VCTT focuses on supporting and collaborating with Non-Governmental Organisations (NGOs) and Community Based Organisations (CBOs) that lend direct support to the fulfilment & achievement of the Sustainable Development Goals to secure our tomorrow for the Youth of Today!

Partnering with a variety of organisations in its short existence VCTT has been active and conscientious in making volunteerism a key focus in our local and regional community and we have become a key Hub for coordinating voluntary activity in Trinidad & Tobago and across the region!

VCTT Vision: A Volunteer in Every Home

This vision is brought to life via three key pillars:
