April: Prioritizing Global Health

World Health Day

On April 7, UBGA marked World Health Day by recognizing the vital work of health professionals and emphasizing the importance of global collaboration to improve community health.

April: Our Impact

The Free Medical Care Days through Mobile Medical Units in the month of April attended 18,589 people in Campeche, Chiapas, Guanajuato, Tamaulipas, Hidalgo, Tabasco, Puebla and Veracruz.

April: Our Impact

"The care they gave me at the dentist was really good, it was a great help to me. I hope they return soon" Alejandra R.

May

World Family and Community Doctor Day

UBGA honored family and community doctors, highlighting their crucial role in the health system. These professionals provide comprehensive care, emphasize prevention and education, ensure continuity in managing chronic diseases, and improve access to healthcare, especially in underserved areas.

May: Our Impact

The Free Medical Care Days through Mobile Medical Units in the month of March attended to 16,894 people in Campeche, Chiapas, Guanajuato, Tamaulipas, Hidalgo, Tabasco, Puebla and Veracruz.

May: Our Impact

"I thank you very much for your support and kindness. Thanks for everything"

Carlos T.

June

World Family and Community Doctor Day

UBGA honored family and community doctors, highlighting their crucial role in the health system. These professionals provide comprehensive care, emphasize prevention and education, ensure continuity in managing chronic diseases, and improve access to healthcare, especially in underserved areas.

June: Our Impact

The Free Medical Care Days through Mobile Medical Units in the month of June attended to 14,115 people in 8 states of Mexico including Campeche, Chiapas, Guanajuato, Tamaulipas, Hidalgo, Tabasco, Puebla and Veracruz.

June: Our Impact

"I want to thank the mobile medical unit of Un Buen Grupo de Amigos for the care they gave us, which was very satisfactory for all of us. Thank you very much and I hope it is not the last time you visit us"
Juan F.

July

We are excited to announce that October is quickly approaching and with it, our anniversary event.

We remain steadfast in our commitment to provide medical care to the most underserved communities through our Free Medical Care Days. Thanks to the valuable support of our volunteers, donors, sponsors and collaborators, we have brought medical care to thousands of people who would not otherwise have access to it.

July: Our Impact

The Free Medical Care Days through Mobile Medical Units in the month of July attended to 17,293 people in 9 states of Mexico including Campeche, Chiapas, Guanajuato, Nuevo Leon, Tamaulipas, Hidalgo, Tabasco, Puebla and Veracruz.

July: Our Impact

"I found the service very pleasant, excellent treatment and I hope they return to the community and continue serving people because we need it." Laura H.

(Name assigned to protect patient's privacy)

"We thought the care was good, they gave us medication and I highly recommend going to the foundation's medical unit." Jesús C.

Sincerely Thank you....

Your donation has made it possible for us to continue providing medical assistance to our communities. Your support has been essential in improving the health and well-being of those who need it the most.
