

# Project Report

April 01 - July 31, 2025

With your help, we bring health to those who need it most

**#AMOR<sub>POR</sub>**  
**#MÉXICO**

## April: World Health Month - Small changes, big impact

In honor of **World Health Day**, we recognize that access to medical services and health education are crucial for fostering a stronger, more supportive society.

- **Caring for people's health is an act of love and social responsibility -**

## April: Our Impact

This month, thanks to your support and our dedication, together, we were able to serve **6,528** people in **62** locations across **5 states** in Mexico: Campeche, Chiapas, Puebla, Tabasco and Tamaulipas.

# April: Reflections of our #LoveforMexico

"The doctors' care was **excellent**. I sincerely appreciate the **valuable work** you do."

Lourdes P. (Name assigned to protect patient's privacy)

"The personnel were very **kind and professional**.

Thank you for helping us!"

Carlos A. (Name assigned to protect patient's privacy)

## May: Nursing is vital to our free medical care.

In honor of **International Nurses Day**, we recognize with admiration and gratitude the nursing professionals whose vocation, dedication, and humanity are fundamental to bringing health to the communities that need it most.

- Thank you for caring with science and heart -

## May: Our Impact

Thanks to teamwork, we provide assistance to **7,451** people in **72** locations across **5 states** in Mexico: Campeche, Guerrero, Puebla, Tabasco and Tamaulipas.

# May: Reflections of our

#LoveforMexico

"Thank you very much for **the attention** you gave us; it is of **great value to us.**"

Matías C. (Name assigned to protect patient's privacy)

"The **care provided** to the community was **exceptional.**

Thank you from the bottom of my heart."

Beatriz D. (Name assigned to protect patient's privacy)

## June: People's health is our priority

Getting a medical checkup at this time of year is essential for preventing illness and maintaining overall well-being. Preventive care is an act of self-love and a way to be well for those around you.

**- Health needs a half-year break and a checkup too -**

## June: Our Impact

This month our Free Medical Care Days through the Mobile Medical Units in the month of June attended **9,789** people in **99** locations across **6 states** in Mexico: Campeche, Guerrero, Puebla, Tabasco, Tamaulipas, and Veracruz.

# June: Reflections of our #LoveforMexico

"The doctors displayed great **professionalism and warmth**. I sincerely appreciate the work you do."

Mario R. (Name assigned to protect patient's privacy)

"I am **truly grateful** for the **excellent service** you provide to our community."

Luisa M. (Name assigned to protect patient's privacy)

## July: World Population Day

With your support, UBGA reaffirms its commitment to bringing health and well-being to the most vulnerable communities by promoting equitable access to medical services, preventive information, and education for healthy living.

- Every person, regardless of their place of origin or condition, must live with dignity, opportunities and quality of life -

## July: Our Impact

During this month, thanks to your support and our commitment, we were able to bring health to **10,712** people in **110** locations across **6 states** in Mexico: Campeche, Chiapas, Guerrero, Puebla, Tabasco, and Veracruz.

# July: Reflections of our

#LoveforMexico

“These **consultations** came at the **perfect time**, thank you so much.”

Jennifer C. (Name assigned to protect patient's privacy)

“I'm **deeply grateful** that you came to **take care of us**. I hope to see you again soon!”

Alejandro C. (Name assigned to protect patient's privacy)

# Special thanks for your generosity!

**Your donation has made it possible** for us to continue providing medical assistance to those who need it the most and to improve the health and well-being of our communities.

**Thank you again for making a difference!**
