

Project Report

August 1 - November 30, 2024

#AMOR_{POR}
MÉXICO

August: We remain committed to providing health care to the most marginalized communities.

Thanks to **your support**, we have provided primary health care, dental care, nutrition, and health promotion workshops to help communities stay healthy.

August: Our Impact

In August, **14,530** people received free medical care through the Mobile Medical Units in **9 states** in Mexico: Campeche, Chiapas, Guanajuato, Hidalgo, Nuevo León, Tamaulipas, Tabasco, Veracruz and Puebla.

August: Our Impact

"You take very good care of all the patients. **Thank you so much for looking after us.**"

Manuel H. (Name assigned to protect patient's privacy)

"They have treated us very well and many **thanks to the Foundation and the donors. I hope you can return soon.**"

Raquel L. (Name assigned to protect patient's privacy)

September: **World Patients' Day**

At UBGA, **our patients are at the center of our care**. In celebration of World Patients' Day this month, we joined the cause by encouraging our patients to participate in activities with workshops, lectures, and educational materials on patient rights and best practices for safe, high-quality care.

September: **Our Impact**

In September, **11,573** people received free medical care through our Mobile Medical Units in **7 states** in Mexico: Campeche, Chiapas, Guanajuato, Tabasco, Hidalgo, Veracruz, and Puebla.

September : Our Impact

"I am very grateful for the **dental service**, we need it very much. The assistance is very helpful.
Thank you very much."

Sofia V. (Name assigned to protect patient's privacy)

"The **medical unit is excellent**, with **quality doctors**. The medications they give us are a great help. The staff is very friendly and their **attention is first class**."

Javier N. (Name assigned to protect patient's privacy)

October: Every contribution counts and brings us one step closer to fulfilling our mission.

Thanks to your support and teamwork, we were able to reach the most remote communities in the country and bring free medical care to the people who need it most.

October: Our Impact

In October, our Mobile Medical Units provided free medical care to **12,777** people in **6 Mexican states**: Campeche, Chiapas, Guanajuato, Hidalgo, Tabasco, and Puebla.

October: Our Impact

"We are very grateful for the attention, **bless you all**, and **we hope you can return soon.**"

Luisa M. (Name assigned to protect patient's privacy)

"They treat us very well. **Thank you for remembering us and supporting us.**"

Héctor C. (Name assigned to protect patient's privacy)

November: International Day of Radiology

We want to recognize the **importance of radiology in healthcare** and the work of professionals in the field, including radiologists, radiologic technicians, and medical physicists.

November: Our Impact

In November, our mobile medical units provided free health care to **12,748** people in **6 states** in Mexico: Campeche, Chiapas, Guanajuato, Hidalgo, Tabasco, and Puebla.

November: Our Impact

"Thank you very much for all the support you gave us."

María P. (Name assigned to protect patient's privacy)

"We have received excellent care, **many thanks to donors and the foundation.**"

Thalía J. (Name assigned to protect patient's privacy)

Special thanks for your generosity!

Your donation has made it possible for us to continue providing medical assistance to those who need it the most and to improve the health and well-being of our communities.

Thank you again for making a difference in Mexico!
