

Reel Camp for Girls

We are a feminist nonprofit organization committed to achieving gender equity in filmmaking and other creative media arts. We are a creative space where film and media-makers connect, create, mentor, and inspire current and future generations of women to explore and pursue careers in the field of filmmaking.

HAWAII WOMEN IN FILMMAKING

"Filmmaking is a political act, it doesn't become it. It begins from the inception – What do you have to say about the world in your film? What is your point of view? Where are you looking at the world from? What are you choosing to say or show? I feel so firmly that if we don't tell our own story, no one will tell them (for us)."
