

## Partnerships

As we are a totally volunteer based organization our aim is encourage and recruit volunteers across Church denominational lines as well as linking hands with other non-profit organizations. We believe by working this way we will be able to reach more at risk children and teens as well as increase the ability of the non-profits to effectively impact our community.

*Creating Champions  
and Leaders of the  
Future*

## i4118 Foundation

Is a Christian faith based non-profit, non-government organisation that strives to help children and teens overcome the harm caused to them by adults, helping them become Champions and Leaders of the future.

### Vision

Creating Champions and Leaders of the Future

### Mission

Creating Champions and Leaders of the Future by training and mentoring at-risk and fatherless children and youth in the principles of Chivalry, Honour, Moral Excellence, Self-Worth and Courageous Leadership.

## 3 Prong Strategy

We Utilize a three prong strategy of life changing camps, conferences and weekly mentorship or curriculum based meetings.

### Children 8-12

Royal Family Kids is an international camp and mentorship program designed for abused and neglected children, and has been running since 2003.

#### Camping

The uniqueness of this programs (5 consecutive days focused on individual attention, with the adult to child ration set at 1 to 2), allowing the self-worth of the children to be enriched and their resilience built up. It is also a time where happy memories are created for these children.

#### Mentorship

Is an extension of the camping program, allowing volunteers the opportunity to invest more in the lives of the children. The ration is a 1 adult to 1 child, where the mentors spend 4 hours a month for 10 months with their mentees' further strengthening the child's sense of self worth.

## Men & Ladies of Honours

### Teens 13-17

The Men and Ladies of Honour programs are gender based programs aimed at risk teens.

This program is made up of weekly one-hour mentorship meetings and two week-end camps using the character-specific Men of Honour™ and Ladies of Honour™ Curriculum, as well as the Ed Cole Majoring in Men™ Curriculum.
