**Support 70 Students to Complete their Education**

**to be submitted before**

**12<sup>th</sup> of November, 2018**

**About the project:**

Light of Life Trust wants to make a qualitative difference in the lives of the children and the community in Vighavli village of Mangaon region which is one among 15 tehsils of Raigad District in Maharashtra State, India. The holistic model which we adopt under Project Anando works with parents, schools, peer groups and the local community along with the child. The focus is on the 3E Approach - Educating, Empowering and Equipping children for employability.

**About this report:**

This report informs about the various activities conducted during the month of August, September, October 2018 across various centres of Light of Life Trust located in Mangaon region of Maharashtra, India.

**Requirement:**

We are looking forward to open a new centre at Vighavli village of Managaon region to support the education for 70 students for which we are looking forward for the support on GlobalGiving platform.

**Activities:****1) Delegate visit from the corporate to the Light of Life Trust centre:**

Delegates from Stock Holding Corporation of India visited the Vighvali centre of Light of Life Trust in Mangaon and interacted with the kids. They provided motivational guidance to the students and also answered their queries regarding their career objectives.

## 2) 'Rangotsav' a regional level drawing competition was held at LOLT Mangaon centres:

'Rangotsav, a regional level drawing completion was held across Light of Life Trust centres in Mangaon. This competition was held on 9<sup>th</sup> September 2018. It was the second phase of the regional level drawing competition where 28 selected students participated in this event. A well-known artist was also invited to this event who guided student about art making and expression. He also judged the event to shortlist the students for the next round.

## 3) Guest Lecture:

Guest lecture for the students was conducted at Indapur centre of LOLT at Mangaon. A senior resource person of Mangaon Taluka who is also the Superintendent of the Committee looking after Mid day meal schemes in Mangaon graced the occasion as the guest of honour.

68 students attended this session. The guest of honour guided students about her own work experience and how the work functions in the government sector. She shared her own life experiences and talked about the challenges she faced and how she overcame them. Students got highly motivated from her session.

Another Guest lecture was conducted at Sai centre of LOLT at Mangaon. The invited guest of honour was a PSI and also a national level wrestler. 65 students were present for this event. She spoke about her journey from a commoner to becoming a sportsperson. She shared about the secrets of her success and also informed the students how motivation and dedication is necessary to achieve ones dreams. She shared her passion of how she dreamt of becoming the one she is today. Students were highly motivated by her speech and were enlightened about the clarity of the goals which are very important in one's life to achieve their dreams.
