### 1. Parents Representative Training:

Sharing some glimpses of the Parent Representative Training organised on 17<sup>th</sup> of November 2019. 42 parents form 4 centres of Light of Life Trust.

The session was divided into 3 sessions. In the first part parents were informed about their roles & responsibilities towards their children, in the second part session on Teamwork was undertaken and in the third part a session was taken involving drama and role plays among parents.

Conclusion: This event resulted into the enlighten with better understanding of their roles and responsibilities towards their children & among their peers. They also appreciated our efforts of developing the overall personality of the children. Towards they end they committed to give their time and efforts to the overall development of their children.

## 2. Annual cultural event by and for the children, 'Bal Kala Mahotsav':

Annual cultural event by and for the children, 'Bal Kala Mahotsav' was conducted for the all the centres commonly on 21<sup>st</sup> December 2018. 252 students along with their parents participated in this event. This event consisted of 9 competitions, Project making, Essay writing, Drawing competition, Elocution, Anatakshri (Singing of songs from their ending letter one after the other), Magic show, Solo & Group Dance and Powada.

Student performances in each competition was remarkable. Students were awarded with certificates and trophies at the end of the event. This ceremony was graced by dignitaries from various felid who also appreciated this initiative and effort carried out by our organisation in organising such event.

### 3. Guest lecture for the students:

Guest lectures to the students always serve as the guiding light to clarify and enlighten them on different issues. They help them gain appropriate answers to their queries and know about the things which are pertaining to different field and build up their capacities.

A guest lecture on advocacy giving to students by the eminent High court dignitary and chairman of a high school served the above purpose. Several other guest lectures conducted at various centres by the dignitaries in the field of overcoming difficulties, approach & love towards animals and banking systems provided the students with information on different domains and helped them to gather and build their knowledge on these subjects.

4. Organised a guidance and exam preparation session, 'SPHURTI' for senior secondary school children:

This is a unique initiative which is conducted by our organisation for the students who are approaching their final board exams and are nervous to prepare for their board exams. These kinds of sessions conducted by the guest dignitaries forms the guiding light and motivation to prepare well for their final board exams.

Light of Life Trust conducted this event, 'SPHURTI' for all the four centres in the Mangaon district of Maharashtra. The guest dignitary present for this event guided students on preparing to answer the examination fearlessly in English language (since English language forms the secondary language in the rural education in the country). It was followed by session on Paper pattern, Marking system, Exam system, mindset of Examiners, Moderates, Chief Moderators & even about a Board committee.

Conclusion: At the end of the session students got their answer for their several queries and became highly motivated.
