Asadullah 10-year-old, with cerebral palsy is being supported by MAITS trained CHW who lives in the neighborhood. The mother has been taught positing and seating techniques which have helped Asadullah to play and interact with his siblings.

Fatima 8 years old with learning difficulties and speech delay is being supported by MAITS CHW. Fatima's mother considers the CHW her friend and confidant. The child is now speaking 3-word sentences and learning sewing and cooking from her grandmother.
