Helping Today Building Hope For Tomorrow

## WHAT WE DO

We provide financial support to low-income families and single parents of school-age children in Calgary, Alberta. We work with schools in low-income areas to select the individuals in most need of help. We also work with local churches to identify those in need.

## HOW WE DO IT

Our support currently consists of grocery gift card donations to families living below the poverty line. We also provide support for families to identify other resources available to them in the city of Calgary, free or low cost food programs, low income housing, shelters and work support.

## WORKING TOGETHER

We also support local organizations who have similar goals and values. Over the 2016 Easter weekend we purchased and donated \$5000 of in-kind supplies to the YWCA Calgary. We purchased and delivered over 200 lbs of rice, 100 lbs of pasta and many other essentials: cereal, canned food, pasta sauce, baby food, diapers, sanitary napkins, toothpaste and toothbrushes.

## LOOKING FOR MORE

This was our first project in our lineup of donations to help Canadian families and communities and carries through with our mission of helping meet the basic needs of life - right here at home. We are always looking for donations to help us do more.
