Mali Health Organizing Project

This document provides estimated expenses for Action for Health from June 2009 through December 2011. Note that these expense listings do not include in-kind donations for programs, which contribute significantly to the overall program budget (in-kind donations for 2010 total an additional \$173,500). Please note that these budgets are subject to adaptation depending on programmatic needs. For more information or clarification, please do not hesitate to email our director at anna@malihealth.org.
