1. Project Summery:

The project aims to promote women's leadership role in development in the face of extremism and conflict in Khyber Pakhtunkhuwa. Women are underrepresented at all levels of decision-making processes in all most every sector. Facts and findings in the education, health and employment sectors show that women needs and challenges are not being sufficiently addressed, because majority of the leadership is male dominated.

This project will invest in building and strengthening women’s leadership through training, advocacy and networking to promote women’s leadership.

Accomplished Activities during the 19th quarter (February 2024 – January 2024) of the project:

1. Women Voices consistently brings attention to the myriad challenges and obstacles faced by women and girls, employing both online and offline platforms to amplify their voices.
2. Through ongoing collaboration with like-minded organizations and networks, Women Voices actively builds connections to showcase and magnify the experiences of women and girls, fostering a supportive network.
3. Women Voices has orchestrated a series of impactful online discussions, delving into the multifaceted issues, hurdles, and achievements encountered by women and girls in virtual spaces.
4. Women Voices Pakistan is presently aiding elected women councilors through capacity-building training specifically focusing on the Local Government System, Gender Sensitive Planning, and Gender Sensitive Budgeting in 09 districts of Khyber Pakhtunkhwa.

2. The monthly review and planning meeting for the project convened at the Islamabad headquarters, providing a forum to evaluate project progress, address challenges, and solidify an action plan for the forthcoming months.

The project design is based on an integrated approach in terms of the relevancy of its activities sequel and effect. However, due to the lack of sufficient donations, we have revised this project’s activities and budget also to ensure focused and impactful work despite funds issues. We are really looking forward to friends and well-wishers around the world, to join us in this important cause of promoting women's leadership by making donations. No support is small, each and every contribution matter, please.
