Dear Management,

Date 25/10/2017

Overview & Vision

Rock'a'fellas Football Club is a volunteer driven organisation, registered as an NPO organisation that has grown since been established in 1996 with 2 junior teams & 2 senior teams into one of the largest local soccer clubs within the Rocklands Mitchells Plain, Cape Town, South Africa and now currently consisting of 7 youth teams (U/8,U/10,U/12,U/14,U/16,U/18,U/19) and 3 senior teams (Top Team 2nd Team and Over35) with over 210 registered members within our football club and with 65 members within our netball team (was established in 2014 with 5 youth teams & 1 senior team). The support of business and the community will surely be a vital factor in the clubs future success and your continued support will ensure our sports development within the community and other vicinities remains affordable for all players and those you are in desperate need of a life change. Rock'A'fellas FC was formed by members and soccer lovers of the community, in due cause to develop youth into sports celebs, role models and improve their humanity skills. In doing so, we've thought them about leadership skills, focusing on their aims and means in life and most importantly teaching them about worshipping our most precious "GOD and his only begotten son "JESUS". There is an urgent need to address these problems, the township areas of Cape Town are well known for their drug related issues, gangsterism, etc and as a project and responsible members within the community and other vicinities, we have taken this upon ourselves in helping these youngsters by involving them in sport activities which will surely lead to a successful lifestyle in the near future. Our target and vision is to develop and become a source and dominate the Mitchells Plain landscape and become an inspirational brand for all in the community, western cape, South Africa and even abroad. The Football Club's vision of a vibrant and connected community is underpinned through the sports Development Plan vision within the Rocklands Mitchells Plain area of to live strong, be strong, play strong, be focused and practices what you preach. Targeted focus on programs and initiatives that can be delivered and that are relevant to the Mitchells Plain as well other vicinities. Club has achieved many awards since establishment in 1996 and will be forwarded on your request.

Type of funding applying for Current Project

3 options

- Under 16 Tournament **(SAFA event needs to materialise on a yearly basis – need potential donors)**
- Club Wish list **(Need donors on a yearly basis for the organisation to be consistent & operative)**
- Funding to upgrade facility which was allocated to Rock'a'fellas FC by our ward Councillor Mr Daniel Christians and Director of Sub council (South Area) Mrs Alesia V Bosman. **(On request - Will supply pictures of the field and correspondence agreement between Rock'a'fellas FC. Ward Councillor and Director of Sub council)**

➤ Under 16 Tournament

In 2015 & 2016, during Augustus, we hosted our SAFA sanctioned tournament called ROCKAFELLAS FC UNDER 16 “TOURNAMENT OF LIGHT”, where the best 32 teams within the Western Cape of Cape Town participates and compete against each other for 3 days during the sanctioned of the tournament in August each and every year. This tournament is all about giving the youth an opportunity to expose their talent, enhance their abilities and take them to the next level. This event attracts massive support of 1400 attendees per day for 3 days as well SAFA Cape town officials and SA soccer legends dignitaries such Ex South African goalkeeper Mr Farouk Abrahams & ex South African Referee Jerome Damon. Numerous talents has been identified at this event whereby scouts has also indicated trails for these talented young lads. However this tournament will surely grow from strength to strength on a yearly basis and will reach greater heights. In 2017, we will continue with this initiative whereby the tournament launch will materialise on the 28th of July 2017 with the official tournament kick off on the 9th, 12th and ends on the 13th of Augustus 2017. Main aim is to take this tournament to the next where a team of 20 players with 4 coaches will be selected out of the tournament participants of 576 youth players and will thereafter, firstly tour South Africa and afterwards Europe, pending on availability of funds. As per SAFA requirements there needs to be continuity when hosting a tournament on a yearly basis and therefore we seeking potential sponsors to donate towards this program to sustain this event on a yearly basis. **Attached, financial expense of our current Tournament project hosted in 2016 including pictures of this year's Rock'a'fellas Under 16 2016 tournament called “Tournament of Light”.**
