## ORGANISATION PROFILE

THE CANDLE BURNS FOR OTHERS!  
WE LIVE FOR OTHERS!

## ABOUT US

In an environment blessed with plenty of resources, human and natural, there is the minimal expectation of well being for its inhabitants. Well being includes the need to have the basic necessities of life, such as food, clothing, shelter, education, etc. Where this is missing; suggests a missing link. Who finds this link? Nigeria as a Country is richly endowed with great human and Natural resources, yet there is so much hardship due to misplaced priorities of so many. Unemployment and Youth restiveness is the consequence of the shortfall.

Allis Vivere Foundation is a faith-based, non-denominational organization, established as a response to the question, who finds the missing link? It is an initiative of Rev. Fr. Andrew Orogun, a Catholic Priest of the Diocese of Warri, Delta State, Nigeria, alongside four credible trustees, to mark the 10th anniversary of his Priesthood. Having worked for so many years among the Youths, he observed the missing link that drives Youths into crime and dropout from schools due to inability to meet financial obligations.

The foundation is registered as a non for profit organization, with the Corporate Affairs Commission of Nigeria, registration number CAC/IT/ NO 94944; and the Special Control Unit Against Money Laundering (SCUML) with registration number 101400258

The name, 'Allis Vivere' is derived from a Latin phrase which means, “live for others”. This connotes the sacrifices every member, partner or volunteer of the foundation shall make to put a smile on someone's face. The motto of the foundation, “Attingere Caelum Digito” is a latin phrase also which means, “Touch Heaven with a finger”. This demonstrate that with a little assistance (Push of a finger) one could affect the life of another and thus touch heaven, which is everywhere around us. This can only be realized when we become our brother's keeper. To do this we must see God in everyone since man bears the image of God. Whatsoever you do to the least of my brothers, you do unto me (Matt 25:40).

Let's join hands to lighten up someone's life.
