Quarterly newsletter capturing the progress of initiative

New Initiatives

1

We now have access to **"I Got Knowledge"** platform for starting independent assessment of our students.

2

One of our supporters gifted us with a sanitary pad dispenser for senior female students. We installed it in girls' toilet for senior students.

3

Our infrastructure expansion is continuing. We are progressing with construction of two classrooms and one science laboratory. We started our fund raising campaign and had a good start on couple of platforms. We thank all our supporters.

Dance Award

Our class 7 student Rohan, won the award for best dancer, at an event organized at the district level by the Rotract club

Great performance in SOF 2nd level Olympiad to end academic year on a high

3 top 25 Zonal Ranks(Zonal Excellence Certificate) and 12 top 50 Zonal ranks

Every February, selected students in SOF Olympiad's 1st round, travel 2.5 hours to Gaya for their 2nd round exams. For this exam, they start around 4:30am from their home. The early start however does not

dent their confidence and enthusiasm of visiting a larger place. This year 24 students had qualified(in top 5%) to 2nd round for English, Maths and Science. Out of this, 12 students got into top 50 Zonal ranks, and three of them broke into the top 25 and got Zonal excellence awards. The top 3 zonal rankers(All in Science Olympiad) include, Nikhil of class 6 (ZR 13) , Atahar of class 5 (ZR 17) and Amitesh of class 7(ZR 23)

Electricity in campus finally!!

Electricity finally knocked on our doors after hectic six month outreach to officials. For last 4 years, we functioned by erratic generators. Now we can provide more facilities for students and reduce our costs for power.

SOF National Cyber Olympiad results

2 of our students get top 25 Zonal Rank

For the first time since we started, SOF conducted Cyber Olympiad in single round. Two of our students got top 25 zonal ranks and medals of excellence.

Atahar (ZR 16) class 5 and Suhana (ZR 23) Class 6 were our stars for this exam

Women's day celebration!!

We celebrated women's day in a very special way. Our ladies teachers had a fun filled Kabaddi match with our girl students

Getting trained in public speaking by Cognitive Exchange, California volunteers!

Our collaboration with Cognitive Exchange, California started with first engagement for our highest class students in Feb. This is an 8 week program, where Cognitive Exchange volunteers, over video conferencing, teach public speaking skills. Our students are enjoying and benefitting from this program.

ANNUAL FUNCTION 2018

Our students are exposed to a variety of activities through their annual function. The 2018 Annual function was similarly organised where students practiced in few periods for couple of weeks. They produced a wonderful performance full of dance, music, drama, qawwali. Students also got annual awards for their performance in academic year 2017-18.
