

1. Profile of the Organization

Name of the organization	FARM AWARENESS FOR FOOD PRESERVATION INITIATIVE (FAFPI)
<u>Background</u>	<p>Farm Awareness for Food Preservation Initiative (FAFPI) is a Non-Governmental Organization which has been established since 2012 by a general meeting of young minds with the common aim of advocating for diversification into agriculture as a source of livelihood for unemployed youths. The organization later went into advocacy, creating awareness, training and supporting the people (Women, Youths, Students e.t.c) in different farm development projects and agricultural business. In 2016, FAFPI was registered officially with Cooperate Affair Commission with registration number CAC/IT/87517.</p> <p>Our purpose is to creating awareness on the need to invest in farming, reaching the grass root farmers and working with them and partners to bring about the desired positive revolution in the Agriculture sector, reduce poverty/unemployment and post-harvest loss..</p>

Mission	<p>To mobilize and educate the people (society), women, youths, students and Diaspora, home and abroad, to realize the urgent need to go back to farming for quality food / seed and social security, and safety consciousness for sustainable and dependable "Youth empowerment and community transformation" through drastic reduction of rural - urban migration and undue mass exodus resulting from social insecurity, hunger (poverty), unemployment, terrorism and other social vices.</p>
Vision	<p>To ensure the best quality food/seed security standard in all aspect of farming. To ensure that the society adopts farming as a culture and encourage post-harvest preservation to increase food export and maintain food security in the country. Train farmers on modern technological practices to agriculture to promote our agriculture industry to international standard. . Our objective is to create awareness on the need to go back to farming, establish the global Network of the Food/ social Security and Safety guards with affiliated cooperatives, companies (Enterprises) Association, Clubs etc. in order to combat the problems of Hunger (Poverty) Health Humanity and Habitat (Home) and also help to solve the problems of global Healthy Hearts (Affection) Heads (cognition) and Hands (Psychomotor) domains of education fort wealth and job creation with the cooperative Spirit of sacrifice, selflessness service and surrender to the Goodwill of the people (Society) and the true Nature of the Law using pragmatic approach to solve the problems of the critical areas of the economy.</p>

FAFPI's Aims & Objectives	<ol style="list-style-type: none"> 1. Create awareness for farming and food preservation among citizens to engage in farm production for food sustainability. 2. To bring together all farmers in Nigeria for the purpose of improving farming system. 3. Establish a global Farming / Food preservation culture and Food Security Network among of the citizenry. 4. Create wealth and job opportunities for the teaming jobless youths. 5. Reduce Rural/Urban migration or mass exodus to urban zones. 6. Create financial support system to support farmers and reduce poverty. 7. To promote sustainable development among quail farmers. 8. Deployment of modern farming machines and equipment to the communities through collaboration with development partners. 9. Intensive improvement of Agriculture, community farming and individual approach through training. 10. Engage in Farming and Food preservation Projects, Policing, Regulations, Inspections, Monitoring Enforcement and Supervision of farm processes. 11. To ensure post-harvest preservation Advocacy. 12.
