In Conclusion: While on this visit I also made with the SDO and the lord mayor of city council Mbengwi respectively and discussed with them a few points, collected the Email address of the SDO For MOMO Division North West Region and also handed to him an appreciation letter from JRCCA for accepting to be the technical adviser to JRCCA.. My meeting with the lord mayor of city council

Mbengwi, we discussed on the villages that constituted each of the four zones as found on the attachment below. Lord Mayor made a Telephone call with the GC chairman requested him to give me names of and phone numbers of Zonal directors. General Counsel Chairman (GCC) told us he appointed some time ago and he said he will get back to me and still waiting. It was difficult for me to hold meetings to complete my agenda for the following reasons:

- 1) Communication difficulty, no network, no electricity and Radio program with Mr. Moris was not possible.
- 2) Still waiting on plan and budget from each zone.
- 3) Plans on JRCCA Internship Program for the 2020 working in collaboration with JRCCA Executive Director /HR Madam Asobo
- 4) Request action plan and budget from Director of Construction and Maintenance from Mr. Richard before 31st December 2019
- 5) In conclusion much thanks to the Lord Mayor of city council Mbengwi who assisted me with a car and a driver for the few transactions made in Mbengwi. On the field I noticed a lot of insecurity in all over, in Mbengwi, Bome, Njindom, Ngyen-Mbo and Bamenda as there was still gun shots. I therefore quickly returned back to Yaounde on the 18th December 2019 thanking God for his grace and safe Journey.
