Respected sir, Many many thanks for the books you & your teammates have made available to us for reading through your Read Library Project. I read the story book Our family is our Everything written by Shankar Kuradhe. I liked it very much. A moneylender, a pandit, his wife, son & their house workers is the story about. I learnt from the story that, We have to keep full faith on our family members. Listening to others we should not misbelieve on our faith for family members. Thanking again for your read library project. Yours faithfully. Ganesh Pandurang Shinde. Prathamik Ashramshala Kumbhoj.
