

# MARCH 2019 – REPORT EMPOWER COLOMBIAN LEADERS THROUGH HIGHER EDUCATION

by Fundación Juan Pablo Gutiérrez Cáceres

# Meet some of our leaders

Fundación Juan Pablo Gutiérrez Cáceres

## Together we can make a difference in Colombia

We have 346 scholarships

We have been working since 2007 as an entity that supports colombian students with limited resources, granting scholarships to pursue masters and doctoral.

*The candidates' profile has been students interested in critical areas for colombia's development and leadership .*

# This is our experience

Fundación Juan Pablo Gutiérrez Cáceres

## We want our process to be successful

We are in GlobalGiving because we want to help our social leaders improve their skills to help their communities. In our experience in the platform we carry out all the activities to continue growing with our project.

## We want to say thank you!

In the first semester of 2019 we will give 61 scholarships, of which 4 will be thanks to all our Global Giving donors. Thanks to you, we will donate a semester of study in 3 master's programs.

The total to pay for these first 4 semesters is: \$15,168.500 (pesos), which will be paid with the resources contributed in GlobalGiving, leaving us only with a surplus on the part of the Foundation of \$ 51.387 (pesos).

# Impact evaluation

Fundación Juan Pablo Gutiérrez Cáceres

The Faculty of Economics of Public Policy of the Universidad del Rosario conducted an impact assessment that determined that the areas of knowledge where are located about 84% of postgraduate, both active population and graduates are: Engineering, architecture, urban planning and related (23%); Social and human sciences (22.7%); Education sciences (19.4%) and Economics, administration, accounting and related (18.4%).

49.3% of the scholarship holders would have postponed or had not done postgraduate studies if they had not received a scholarship.

## We want to contribute to Colombia!

The Foundation has been increasing its contribution in the training of postgraduate students in the country (0.06% in 2009 to 0.15% in 2017), and in 2017 it contributed with education at the master level of 0.15% of graduate students in this type of postgraduate course in the country (23,756).

# This we want to achieve

Fundación Juan Pablo Gutiérrez Cáceres

## 01

### More education

We want to continue contributing to our country

## 02

### More leadership
