# Our First Padel Tournament

In August, we successfully held our First Padel Tournament. This sporting and charity event brought together more than 30 players with a common goal: to raise funds to finance postgraduate scholarships for talented young people with limited resources in Colombia.

The sports day included significant participation in the 3rd, 4th, and 5th categories, where participants enjoyed an afternoon filled with competition, energy, and camaraderie.

The tournament not only strengthened the passion for padel, a sport that is gaining more and more followers in the country every day, but also reaffirmed the power of the union between sport and education.

## Our team continues to look for more opportunities

Thanks to the support of all our partners and generous donors, this new sports facility has become a source of hope and opportunity for young people who dream of transforming their future through education.

The next challenge will be our 15th Golf Tournament, an event that combines sport, unity, and purpose.

# Thank you!

We want to take advantage of this message to say thank you and promise that we will move forward with hope.
