

Respected Donors

Greetings from Chhattisgarh Agricon Samiti

We have got your valuable support through Global Giving. Your kind support was instrumental in starting up the project.

After harvesting of raw cashew, farmers are going to start the procurement of cashew. They have a plan for 3000 kg raw cashew and process it for cashew nut in this season.

In this quarter 2 person visited to jeypur (Odissa). and they were given a training about quality control during the processing. Now Our Farmers have improved the cashew nut quality than before.

Mr. Arvind from Global Giving were visited to our processing unit and field area. He was interacted with farmers. He was discussed about the present activity and plan for processing unit.

Although the project is running with support of donations, we got but we have a target of 24000\$ for running the project for the whole year. We need 17200\$ more for successful implementation of the project.

We expect that you will spread the word within your social reach about our work and initiative to help us garner greater support for our farmers
