PALU & DONGGALA for HUMANITY

Emergency Relief Project

On 28 September 2018, Palu was hit by what BBC describes as a 'worst case' scenario, combining a large earthquake with a 7.4 magnitude, followed by a tsunami, major liquefaction and landslides that devastated the regions of Palu, Donggala and Sigi, resulting in total destruction of most buildings in the area.

The current situation

2,088
fatalities

78,994
displaced

67,310
Houses damaged

4,612
major injuries

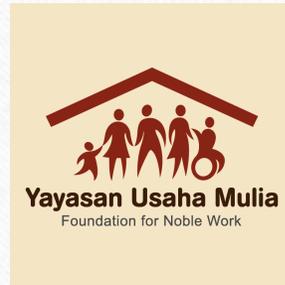

680
missing

20*
Health facilities
damaged

YUM & Subud Youth Indonesia in cooperation with a number of local partners (DoctorShare, KUN Humanity System, The National Clusters for Central Sulawesi, the Indonesian government and others) will establish two emergency posts (*Posko*): one in Poso in October 2018 and a second one in Donggala in November 2018.

SUBUD YOUTH
INDONESIA

Objectives

- Provide assistance to victims in the form of nutritious foods, clean water, medicine and basic shelter.
- Restore confidence and eliminate trauma

Target

- Provide assistance to 100 families, 500 children and 1,000 adults

PROPOSED PROJECT

STAGE 1

- Provide emergency relief October to December 2018
- Distribution of healthy food, water, clothing, health/hygiene necessities to 100 families, 500 children and 1,000 adults
- In December, the team will assess whether it is deemed necessary to continue the emergency relief for another 2 or 3 months.

STAGE 2

January to June 2019

- Provide water filters and possibly Clean Water facilities in areas where the damage was most severe.

STAGE 3

January - December 2019

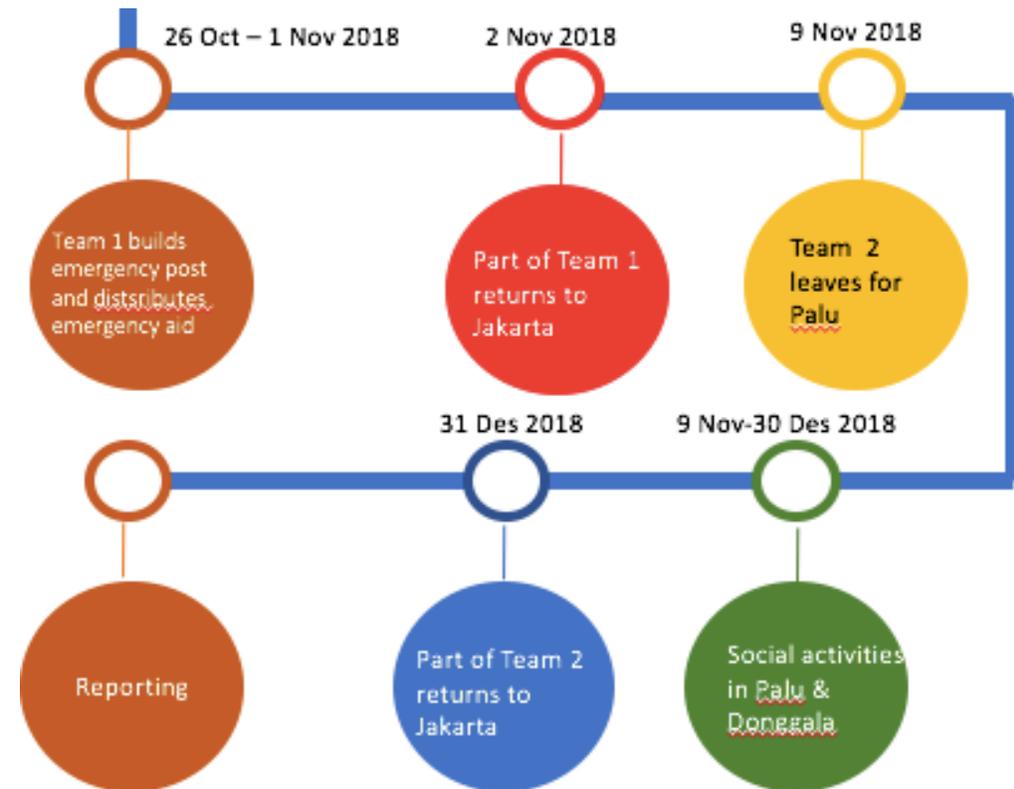

- Trauma healing through sports and arts activities for children and families

Plan of Action

October

November-December

PROJECT TEAM

- Coordinator : Farah Diba
- Treasurer : Tri R Moedjiono
- Secretary : Ruben
