

500 WOMEN & GIRLS BECOME SELF-EMPLOYED

The Gift of a Livelihood

Our beneficiaries are women that are unemployed or have low-income jobs. Together with you we will train them and give them a kit with the materials they need to start a crocheting business. We will also support their sales by posting their products online and selling them in a shop.

**Youth unemployment
in Nigeria reaches
33.10%!**

**\$25 will train &
provide wool &
other materials
for Werr to start
her crochet
business!**

**Crocheting can be
learnt quickly. With
many free patterns to
choose from, she can
earn between \$10 -
\$50 per month.**
