IDETTE VALUES FOR THE RIGHTS OF THE CHILD

SUPPORT FOR THE MOST VULNERABLE CHILDREN:

The value and dignity of every child is at the center of attention for IDETTE. IDETTE focuses especially on the most vulnerable children who can hardly claim their rights. IDETTE and its partners try to contribute as much as possible to improving the situation of these vulnerable children. The services and areas of action of IDETTE and its partners are oriented in such a way that expertise, knowledge and experience in the field of children's rights contribute to the most vulnerable children.

EXPERTISE:

IDETTE constantly seeks to develop the knowledge and expertise of the organization and its employees to better meet the expectations of partners and target groups. That's why we involve specialized staff and we invest, where possible, in complementary training, education, external expertise and custom applications. IDETTE also calls for constant self-assessment in a growing organization.

TRANSPARENCY AND RELIABILITY:

In association with the partner organizations and in external communication we place the emphasis on transparency, the basis of mutual trust. Partners and external parties must always have access to the relevant data of the organization.

IDETTE also respects the confidential information of partners and beneficiaries. Thus, we guarantee a culture of trust between IDETTE, the general public and partners. Promises and obligations must be maintained.

Reliability allows a pleasant working environment. It creates a serene foundation for the future and every employee contributes to it.

DURABILITY

IDETTE strives to form a society where the rights of

the child are respected and applied in a sustainable and structural way, through the creation of alternative protection cells, prevention and lobbying. By enforcing respect for the rights of the child IDETTE always involves the community. IDETTE educates the community to help prevent the rights of the child being violated. IDETTE is also involved in the social reintegration of vulnerable children.

Sustainable development consists in continuing, from the outset, the technical, socio-cultural and financial sustainability of child-bearing families, guided by a transition strategy.

To achieve these goals, the IDETTE organization is acting on:

awareness-raising activities to raise the awareness of vulnerable parents and families, who often give their children in domestic service, and / or adoption, in complete ignorance of the implications of these decisions.

Strengthening community-based protection and coordination mechanisms to facilitate cooperation and the protection and promotion of the rights of child women and other actors and bodies active in the field, which do not always regularly information and joint activities
