Volunteers

## Your Support Matters to Her:

- DC girls face high rates of at-risk conditions, (child poverty, childhood obesity and teen pregnancy)
- By middle school, 70% of girls are dissatisfied with 2 or more parts of their body
- Few options for programs focused on fitness/healthy living or mentor-based character education

17,000 girls' lives changed since 2006!

## Make an Impact Beyond Measure

- Donate today, give her confidence
- Your gift helps an entire team access the program
